THANK YOU

Thank you for taking the Smiggle and Dolly's Dream Kindness pledge! Being a kid can be tough, and navigating your way through school, the online world and life's other challenges can also be difficult. Being a parent and supporting your kids through this can also be tricky. We believe that being kind to one another can really change the world so that's why we've partnered with Dolly's Dream to help raise awareness about the importance of choosing kindness.

ABOUT DOLLY'S DREAM

At the beginning of 2018, the country was devastated by the loss of 14-year-old Dolly Everett. Dolly ended her own life after an extended period of bullying and cyber bullying. Established in Dolly's memory by her parents, Kate and Tick Everett and her sister Meg, Dolly's Dream acts as a voice for those who cannot speak for themselves and works to prevent other precious lives being lost to bullying.

ABOUT THE DIGIPLYGE

Many parents feel teaching their kids about online safety and equipping them with the necessary skills they need to be good digital citizens is important, but they don't quite know how to go about it. That's why Dolly's Dream created the Parent Hub and DigiPledge. The Parent Hub is a website built specifically to educate and help parents with these challenging topics while the DigiPledge is a fun online quiz that teaches kids how to make the right choices in the digital world. Consisting of eight modules, the DigiPledge explores several topics including protecting privacy, social-networking & gaming, communicating safely and much more. When all topics are successfully completed, your child receives a DigiPledge certificate to acknowledge that they now have the skills and know-how to safely explore the online world. The DigiPledge costs just \$10 per family and all proceeds go towards the vital work done by Dolly's Dream and their important anti-bullying initiatives.

**The DigiPledge is tailored for children aged 10-12+ and relevant for all adults with children in their lives.
Find out more or take the DigiPledge online today at parenthub.dollysdream.org.au.**
